those about him.

S. B. BUCKNER, Editor MOSDAS WORNING, . . . JUNE 15, 1868

The Russian Advance Toward India erected a post on which was a finger bos point og sonthward, thecribed "This is t road to Constantinople," it was an index the immediate, but not of the ultimate pe of Russian policy. Impregnantly lished on the Bosphorus in that ancient se of empire, the Crar would not only be in p A a, but extending his power over Egypt as beyond the Euphrates, a guld soon int be rout to India and reach the seat of Br in her purpose to transfer the seat of her g ve w the cont st. It might be said that ber arms had almost won, and the Czar aga

antinopie, the Czer undertook, in 1854, powers, which expelled him from Turi and threw him on the detensive in the Comes. Having stipulated, at the peace, to d re establish his Black Sea Mel, Fugiand an France deemed the objects of the coalities secured, and felicitated themselves un has

But while the western powers were dreing in fencied security, Russia was n 1 a m m ni id Her purpose was the same, bi ad pied only a different mode of rear the goal of her ambition. The mountain reg as of the Caucasus were pacified by he arms and her poll 5. The Black Sea fit She firmly cotati hed berself beyond the to id y foll wing up her conquists by a re H r mea ures were taken so quictly, and le necesses were so rause that Europe w hat was transpiring bey and the Case Nor was England fully sensible of the eton of Bakhara, the capitul city of Toork tan, beyond the Oxue, and accupied the ci of Samarcand-the ancient Marecands, e luriber to the castward.

Alexander after the tall of the ancient l'o useed, un a voute of only a few lines in les, before she etands lace to feee with of the Czar. In a very tew years, theref when he shall have sufficiently consolid bis power in Central Asia as may rapec see the Russian Bear confronting the Brit Lion on opposite banks of the ludge, as preparing tova contest for supremacy in the The dangers to be apprehended from the

threatening development of Ruesian streng will doubtless materially influence the West ing questions between the Cretans and Gri i now seem ng an important phase ; op an politics. Crete, as is known, it i flion against the Turks. Greece has no this abe n c evarly assumes that Crete is a integral part of her dominione, and that la berself the quarrel with Turkey. his a sen it is auderstood that Russia pointed out by Catherine's Anger board. To previou the consummation of his poster, it is thought that the Wester larkey. If a prolonged contest at bef re its close Brit eb and Russian tro between Praisas and the Czar would the k mate France, and Ameria and Italy, are ad-a fact-nity exhausted, would effectuelly neu-tralize each other. Thus, beyond such a di-version as might be made in the fact. and and France, the Czar would fine titule to oppose his march upon Constanting pic ex pt the treble armies of Turkey. DECISION OF COURT OF APPEALS. laspense of Hon, thony Pieto is Marion for Hudo in the Preshtration Charab Case, fit d June 1-6, 1-66-6.

JAA A DAWNEY, acy of Law, Frankfort, Av.

THE HAUNTED HOUSE. 'A Story of Life in Ludiow.

n the wide, sandy plain which str is weary monotony between that turing villages of Chicopes riva quiet villages of Granty and S

had amounced the hourst nine. As he meared the bouse he hasn'd a groun. It were a single groun, and then all was still. But it was such a groun as no one utiare twice, and he who have it never wishes to hear it again. In fail it his duty to rush into the bouse, but dared not. After long hesitation he went his way, speculating whather the widow had murdered her kilot son or had been unustared by him. And, when he saw them, both come quietly into the village the sext morning in doubted his ayes and next his memory. But the same arrand again hrought him

when you that anything you must asplain, not to jump to the contained thit it is certain—that, if you need anough, you could find a physical sums for warry physical street of the contained of t Triple Wedding.

A triple wedding came off last e Young at the Congregational Cherch, owner of Tanth and Locust atreets—the three danghiers of the pastor, Ravarend Lyman Whiting, being the aspirents for synmatrimoniel. The following are the nemes of the happy parties: Heins S. Whiting, Samnel L. Taggeri; Gerruda K. Whiting, Cherles M. Buren, Agues S. Whiting, Cherles M. Buren, Agues S. Whiting, Wm. G. Farrar.
The two drest couples acted as brilesmosts and groomsmen for anch other. The lost nemes! couple ware ansisted by Mr. Fred. W. Root, (son of G. F. Root, composer, Chicago: and Mins Rosentail, of Freeport, Iti., who seted in the capacity of bridesmand and groomsman.
Notice of the avent had been given out some time before, and a tim avents of the entire that been given out come time before, and an an are lost coverson was prodigious. Every seat in the spaceous church was filled; the aides were
